Questions for Atheists.

Please answer the following questions as honestly as you can. The people who answer the questions are Atheists who may be parents, teachers, community leaders, artists, friends, and family. Some of these questions will be used to develop answers in the Godless Grief book series. If you have any additional anecdotal comments, please send them to the address above, and add SURV ADD-ONS to the subject.

Thanks so much for your time, and help in this project.

1. What would you ask an Atheist?
2. What do you think Atheists believe?
3. What questions do you have about grief?
4. Whether or not you are religious, do you feel others should be? Why?
5. If you could ask your hero anything, what would it be?
6. How do you understand death?

If you have any additional questions, or anecdotal information, please email to: [CJ@godlessgrief.com](mailto:CJ@godlessgrief.com) and put "I have a question about..." in the subject.

Thanks so much for your time and input.
